

ANDREAS N SHAPAKA

Data Analyst

+264 81 773 5303

shapakaa3@gmail.com

I transform raw data into actionable insights, empowering businesses to make data-driven decisions that drive success. I am passionate about uncovering trends, identifying patterns, and translating complex data sets into clear and concise visualizations. I combine technical expertise with strong communication skills to bridge the gap between data and business needs.

MY PORTFOLIO
